

The Rosa International Middle School Music Department presents

Small-Group Ensemble Night

An Evening of Chamber Music

Let's try this again... Wednesday, June 7, 2017

7 p.m. – Rosa Gymnasium

Please complete this form even if you did it the first time

You have been invited to participate in the Rosa Small-Group Ensemble Night – an evening filled with music performed chamber style (small groups – solos, duets, trios). Being able to perform in smaller groups and in a smaller setting develops musical independence and confidence. This will be a wonderful night showcasing the diverse talents of our young Rosa musicians.

Family and friends are welcome! We are asking for donations of refreshments so we can have a reception following the performance. You can indicate your choice by going onto the music program website at: www.rosamusicprogram.com or going directly to <https://tinyurl.com/rosaschambertainight2017>

Please indicate below whether or not your child will be able to participate and return the bottom half by the date indicated. We look forward to seeing you all!

Mrs. Mark

Please detach and return THE LOWER PORTION ONLY **no later than May 23rd**
